Ice Fox (USA; Branded Spirits USA, San Francisco, CA). Ice Fox Vodka is a drink that is made in San Francisco. The bottle features a picture of a white wolf on the front. American corn is used when making the vodka. There are hints of fruit when smelling along with sweet notes. When drinking, you can detect a subtle note of chocolate along with honey. This isn't an overwhelming vodka when it comes to the smells and flavors. A soothing taste is left on the palate.
